Education

BFA Visual Effects

Fall 2019

Savannah College of Art and Design

Savannah, GA

Associate in Digital Media

May 2016

DelMar College

Corpus Christi, TX

Experience

DMP Artist

MPC- Apr 2022-Jan 2023

Montreal, QC, Canada

- Worked with live-action footage, digital still photography, and rendered computer graphic elements. Creating matte paintings, and set extensions, to be used standalone or seamlessly integrated into assigned shot work.
- Took direction from CG Supervisor, VFX Supervisor, and Production and Creative Departments and effectively communicated with the team and management.
- Meeting all milestones while adhering to the show's schedules and pipeline. While maintaining a great team dynamic

Texture Artist

Student Project - Ole - Sept 2019-Nov 2019

Savannah, GA

- Collaborated with the Director on a CG animated short film. Creating necessary texture maps for 3D assets using Substance Painter.

Weekend Video Editor

KIII TV - Aug 2015-Mar 2017

Corpus Christi, TX

- Organized video files for the morning news.
- Edited videos and made adjustments to the audio levels according to the rundown, using Sony Vegas with a heavy focus on time management.
